CALL FOR SPONSORSHIPS

IEEE RFID-TA is the IEEE's premier conference on the RFID (Radio Frequency Identification) technologies and applications, and it is sponsored by the IEEE Council on RFID. The 10th edition of the IEEE RFID-TA conference will be held in Pisa, Italy. The conference goal is to bring together industry, government and academic professionals who design, develop, and utilize RFID technology to improve the automatic data transfer and consolidate all those RFID-based applications that go beyond the identification through radio waves.

Being a patron of IEEE RFID-TA 2019 could be a chance for your company to promote its products, services and skills.
